

HEALTH & SAFETY POLICY STATEMENT

Munro and Miller Fittings Ltd is committed to preventing accidents, injuries and illnesses in the workplace and recognises that preventing injuries is just as important as manufacturing products and delivering services. Ultimately the quality of M&M products and services depends on the health, safety and welfare of those who make or perform them.

In accordance with the Health and Safety at Work Act etc 1974, M&M will:-

- Consult with employees on matters affecting health and safety
- Provide information, instruction and supervision for employees
- Ensure all employees are given adequate training and are competent to do their jobs
- Provide and maintain safe plant and equipment
- Adequately control the health and safety risks arising from work activities
- Ensure safe handling and use of substances

Munro and Miller Fittings Ltd are committed to reducing the impact the business has on the environment and will comply with environmental legislation.

This policy will be reviewed and revised as necessary at regular intervals
